

Cubo F terminal enclosure

CUBO F TERMINAL ENCLOSURE 800X200X120MM, FLANGE OPENINGS, STEEL, POLYESTER PAINTED

Compatibility: **Cubo F**
Product code: **FFUF802012A**
Electrical number: **3440586**

The Casemet Cubo F terminal enclosure is a durable and versatile enclosure suitable for a wide range of applications. It is available with a polycarbonate window, smooth sides, or flange openings. The enclosure includes a perforated support for a DIN rail or mounting plate. Optimised mounting supports allow all sides of the enclosure to be used for cable entries. One side of the base section includes an M6 bolt for earthing.
