

Cubo U enclosure

## CUBO U ENCLOSURE FOR DAMP ENVIRONMENTS 150X200X100MM, PLAIN SIDES, STAINLESS STEEL, AISI 304

Compatibility: **Cubo U**

Product code: **USUP152010**

The Casemet Cubo U enclosure is an excellent choice for demanding conditions. It is dust-tight, resistant to immersion, and offers high temperature resistance. All enclosures feature a high-quality seamless silicone gasket. They can be secured with either screw fastening or latch locking. The door of the hinged version opens to 210 degrees. Both the base and cover sections are equipped with pre-installed welded studs and external mounting brackets to facilitate installation.

✓ Suitable for outdoor use
